MARIE CURIE MOBILITY FELLOWSHIPS

Workshop on Opportunities and Support for EU-Funded Fellowships

In the 7th Framework Programme for Research & Development of the European Union (FP7), Marie Curie Actions is a set of mobility grant schemes funding pre- and post-doctoral researchers in Europe as well as experienced researchers. Marie Curie Fellowships are available to researchers of all ages regardless of their nationality or field of research.

To support educational and research exchange between the University of Illinois at Urbana-Champaign and Stockholm University envisioned in the INSPIRE strategic alliance, a grant-development workshop will be held between 8.30 and 10.30 am on April 29, 2013 in 612 IGB, to provide detailed information regarding the following two open Marie Curie calls:

International Incoming Fellowships (IIF): an individual grant to attract top-class researchers currently in a non-European country to undertake research in Europe. Mobility rule applies: 1-2 years in EU. Available budget EUR 44.5 million. Recent success rate 16%.

International Outgoing Fellowships (IOF): an individual grant for researchers willing to acquire new skills in a top research institution based outside of Europe. Mobility rule applies: 1-2 years abroad + 1 year in EU. Available budget EUR 44.5 million. Recent success rate 19%.

The deadline for both calls is August 14, 2013 with grant starting date during 2014.

Detailed background about the Marie Curie Actions program, the application process, and institutional support from Illinois and Stockholm University for the development of competitive proposals will be presented at the workshop by

Maryam Hansson Edalat, Research Liaison Officer and Deputy Director, Stockholm University
Elisabet Idermark, Senior Advisor for International Affairs, Stockholm University
Alexis Thompson, Director, Postdoctoral Affairs Office, Illinois
Melanie Loots, Associate Vice Chancellor for Research, Illinois
Anna Stenport and Harry Dankowicz, Faculty Liaisons INSPIRE, Illinois
